

Live Stream

Greetings Church Family,
The elders and I have been in discussions as to our actions in our present situation with Covid-19 and how to work with the various opinions and advice that we've been given. We've had to postpone some events

seeing the present spike of Covid cases. Unfortunately, today Governor Newsom has shut down Dine-in restaurants, family entertainment centers, zoos and museums amongst other venues state wide. Fitness centers, non-essential offices, personal care services, malls along with worship services are also required to shut down if the county has over 3 consecutive days on the County Monitoring list, which we ARE one of those counties. Therefore, we will continue live-streaming church services as well as any other events we have. From now until further notice, the church won't be open on Sabbath.

- Pastor Jonathan Sanchez

Live stream runs 9:35am - 12:15pm
